

The Fondazione Massimo e Sonia Cirulli is pleased to announce that the exhibition *Universo Futurista*, curated by Jeffrey T. Schnapp and Silvia Evangelisti, will be extended through May 19, 2019.

Since its inauguration six months ago, on April 20, 2018, we have experienced an ever increasing interest towards the Fondazione and its activities. We have launched new cultural initiatives related to Futurism, such as a series of conversation with authors and curators that worked on the exhibition catalog, from Jeffrey T. Schnapp to Silvia Evangelisti, as well as talks with art historians Ara H. Merjian and Elena Pontiggia. Furthermore, we have had numerous requests from the public to take part in our educational activities for children, teenagers and adults, which have involved families as well as primary and secondary schools in our area. For all these reasons, we deem it necessary to extend the duration of the exhibition until next Spring.

We kindly remind the public that Fondazione Massimo e Sonia Cirulli is open from Tuesday to Friday, 10AM to 5PM. On Saturdays and Sundays, opening hours are 11AM to 8PM.
